The purpose of this newsletter is to provide updated information to you, our target audience. This is just one of the many modes of communication that we use to keep the **DREAMS** family and volunteers informed regularly.

The History of DREAMS - Bastrop

DREAMS® is an acronym which stands for **D**esire, **R**eadiness, **E**mpowerment, **A**ction and **M**astery for **S**uccess. The **DREAMS** Summer camp debuted in Bastrop, LA in the summer of 2016 (Year 1). **DREAMS**, is a three-year life-orientation and motivational program for middle school students. It started with a five-day summer camp; psycho-social and life-skills training program. The program is intended to help teenagers learn and practice psycho-social and interpersonal skills within a supportive community of peers, senior mentors, and trainers. The program design will help the participants to identify their talents and weakness while developing their potential to the fullest; prompting them to achieve a value-guided personality for sustainable success in academics and in life.

The program, returning again this year, provides teens the opportunity to make new friends, build meaningful relationships, and participate in life-changing events. They leave feeling rejuvenated with a new sense of purpose in life. Students are invited to participate in the program filled with games, music, team activities, meditation, and a lot more; for building personal skills for better successes in life!!

Summer Camp Information

The **DREAMS Summer Camp**, 2017 will focus on Interpersonal/Social skill development. Those are the life skills we use every day when we interact with other people, both individually and in groups. People who have worked on developing strong interpersonal skills are usually more successful in their lives. These key life skills facilitate appropriate ways, get along with others, make friends and develop healthy relationships and generally, are able to interact with the society harmoniously for growth and success.

Year II - Interpersonal/Social Skills Development Schedule

- Day 1** - You and your Family
- Day 2** - Friends and life Success
- Day 3** - Teamwork
- Day 4** - You and your Community
- Day 5** - Communication and Success
